

Delegates To State Meeting

Delegates to the statewide student commission meeting in Visalia, California, on March 21-22, from the Salinas Junior College will be Tony Mercante and Earl Arnett, A.S.B. president and vice-president, respectively.

The purpose of the meeting is for the delegates from the various student commissions of junior colleges all over the state to get together and discuss problems of student government.

President Mercante indicated that he and Arnett are the official delegates from Salinas Junior College, but the whole student commission will probably go. Mr. B. L. Borough, Dean of Students, and Miss Ruth Rothrock, S.J.C. commerce instructor, will also accompany the group.

Orchestra Concert To Day

At 1 o'clock this afternoon, students of S.J.C. will be treated to a concert at the assembly presented by the Junior College Concert Orchestra directed by Mr. Lorell McCann.

Concert pieces for the audience's enjoyment will be presented in the following order: "Italians in Algeria," an overture by G. Rossini; "Bells Across the Meadows," by Albert W. Ketelby and arranged by Henry Sopkin; and "Serenades for French Horn and String Quartet," by Lorell McCann. Steve McCann will be horn soloist. The quartet personnel include: Stanley Scott, Elizabeth McCormack, violin; Kathryn Cash, viola; Beatrice Mosley, cello.

Additional pieces to be played are: "Larghetto," from Beethoven's Second Symphony; "La Media Noche," Serenade from Hispania Suite by Albert Stoessel; "The Syncopated Clock," a novelty number by Leroy Anderson.

The following members under the directorship of Mr. Lorell McCann form the Junior College Concert Orchestra. Violins: Stanley Scott, Gwayne Frew, Elizabeth McCormack, Lucy Huizenga, Bernard Tefertiller. Viola: Kathryn Cash. Cellos: Beatrice Mosley, Wayne Henderson. Bass: Mary Galpin. Clarinets: Carol McCann, George Elliot, Gordon Dawson, Allan Richardson.

Cornets: Gerry Magoon, Marion Cunningham. Trombones: Donald Dean, Robert Lucido.

Salinas, California, Friday, March 14, 1947

Number 20

Placement Bureau Has Jobs

Are you killing time waiting for the right job? Listed on the bulletin board by the main entrance may be the one of your particular choice. Miss June Handley is in charge of the college job placement bureau.

Well, here's to the outdoor gals. You can be a camp counselor and enjoy life July 6 to August 2 at Camp Shadowbrook. Imagine being paid \$5 per week "vacationing" at Big Basin State Park.

Here are a couple of jobs if you're looking for a little adventure in the business world before settling down. A bookkeeping job is open in Salinas. Bookkeeping, typing, and shorthand are required. Also, a stenographer-clerk is wanted in Watsonville. Five days a week, good pay, and good working conditions.

For those who could use some cash and the experience in housekeeping, a job is located near the college; this is a part-time job for several hours two or three times a week.

There is a job for the stout-hearted lad who wants to earn a little extra moola by doing a bit of yard work for a couple of hours per week, and the place is just a block from the school.

Commissioners Approve Block "S" Awards

Student commission members officially approved recommendations by Coach G. Ed Adams to award the college Block "S" to nine members of the college basketball team at the weekly commission meeting last Tuesday.

Also discussed at the meeting was the proposed trip to Visalia for the coming state-wide junior college conference on March 21 and 22.

The taking of advertising for the school paper was also considered by the commissioners.

Deficiency Slips To Be Issued Next Week

Deficiency notes will be issued next week, according to President J. B. Lemos.

These slips, while not a definite failure notice, are a good indication that much improvement must be made if the student expects a passing grade.

G.I. students who receive deficiency notices are once again reminded that they are expected to maintain a "C" average in final grades in order to receive benefits of the G.I. Bill.

WATER COLOR EXHIBIT IN ART GALLERY

Richard Lofton, well-known Carmel artist, is currently presenting one of the finest water color exhibits ever to appear in the Salinas Junior College Art Gallery, Bob Bushta, gallery manager, states.

This particular group of paintings have been shown in San Francisco and Carmel, and were favorably received, winning very warm praise.

Mr. Lofton, before coming to the Monterey Peninsula, was a resident of South Carolina. His background of the South appears as the subject of many of his paintings. Parts of the Monterey Peninsula also appear in many of his works.

Lofton is especially outstanding in expressing both accuracy and fine construction. He expresses much understanding and skill.

Mr. Lofton's exhibit will be on display Monday through Friday from 9 until 4 o'clock.

Annual on Sale

All students desiring La Reata, the school annual, when it comes out in May, may purchase pledge cards in La Reata office, Room 9, from 11:30 to 12 o'clock daily, until the present supply of 100 is gone.

Students Enjoy Noon Concert

Many students of Salinas Junior College gathered around the Panther to enjoy an informal noon band concert presented by the Salinas Junior College Concert Band under the direction of Mr. Lorell McCann, March 6.

Included in the program were the Mandalay Overture by Forrest Buchtel, Amina, Egyptian Serenade by Paul Lincke, Call of the Sea, Concert Polka by Holmes-Smith, trombone solo by Keith Daugherty, soloist with the band.

Assistant band director, Gerry Magoon, took over the baton for the Colorado Concert March by G. E. Holmes, Tea for Two, and other popular numbers. The band also played Call of the Legionnaires March by Lorell McCann. This march is dedicated to all men who served in the armed forces and to Salinas Post No. 31 in particular.

The Campus Concert is a new undertaking at Salinas Junior College and the interest of students and faculty will determine its continuance. Popular requests will be granted if students submit their requests in advance.

FRESHMAN DANCE PLANS FORMULATED

At the Freshman Class meeting last week, plans were discussed for their dance, to be held Saturday, April 12. Don Prince, chairman of the dance committee, stated that the theme would be a Barn Dance with everyone dressing for the occasion—levis and shirts.

Don Napoli, frosh president, appointed Bob Meese and Jack Fourcade, co-captains of the freshman track team for the Sophomore-Freshman meet to be held today. Napoli also mentioned a baseball game to be held in the future but did not go into full details on the subject.

Block "S" Society To Give Dance

Block "S" Society emerged from their wartime hibernation to announce a dance which promises to be one of the gayest and most elaborate affairs ever held here. The date has been set for Friday, March 28, from 9 to 12.

Tony Vyeada's orchestra from Watsonville will furnish the rhythmic rhythms for the gala shindig. The surprise of the evening will be entertainment featuring Block "S" talents during intermission and a door prize given to a lucky ticket holder.

No expense is being spared to make this a Block "S" success, declared President Harold Hunter. The dance will highlight the sport theme. Admission is \$1 per couple and 75 cents for stag. Tickets are being sold this week, so get yours now and avoid the stampede.

Committee chairmen included the following: Frank Garner, decorations; Topper Arnett, publicity; Finis Jeffers, entertainment; Don Napoli, orchestra; Harold Jensen, refreshments; and Ernie Currier, tickets.

Exams For Civil Service

On the bulletin board, just outside the occupational division office, are listings of two civil service jobs open for examination.

The first is the job of a "Payroll Classifier." The salary ranges from \$180 to \$220 a month. The applicant must be a resident of California for at least one year. He must have a high school education. He must be able to prove himself physically and mentally able to handle such a position.

The examinations are to be taken on April 5, 1947, in either Sacramento, San Francisco, or Los Angeles.

The second job open is that of an Employment Security Aide. Salary for this job ranges from \$160 to \$200 a month. This job requires a full college education or its equivalent.

The applicant must be a resident of California for at least one year, and be able to prove himself physically and mentally able to handle such a position.

The examination for this job to be taken on April 12, 1947, in either Sacramento, San Francisco or Los Angeles.

THINKING OUT LOUD

By "TOPPER" ARNETT

In a recent issue, the uptown daily carried a sports column written by Ted Oliver.

Oliver's column is one of the best examples of a false analogy we have ever come across. Based upon a fallacy, this column has taken the junior college to task in regards to its athletic policy without bothering to look beneath the surface.

Oliver has grossly scored the student body of the college for failing to furnish the high school type of rah-rahs during the current basketball campaign. We would like to remind Oliver that the college student body is a much more mature group than those before the war.

All of the college home basketball games were well attended by the college students when it is considered that the majority of the 750 enrollment comes from out of town. Also, three of the seven home conference games were on "school nights."

The columnist also called the 1946 basketball season in which the team copped over half of its games a disaster.

What Oliver suggests is a tub-thumping organization with a vigorous system of publicizing the J.C. to encourage athletes to attend the junior college.

Well and fine, a very good suggestion, but how can the college even start on such an enterprise when the local press continuously gives them such adverse publicity?

Even when playing winning ball, the publicity given to the college is anything but favorable.

Mr. Oliver speaks very grandly about what should be done for the junior college in the way of publicity. If this is Mr. Oliver's true desire, then as a member of the press, why doesn't he get busy with constructive comment.

This isn't the first time that Mr. Oliver has chosen to air his views on the situation at the college. Could it be that beneath it all Mr. Oliver has an axe to grind?

Date Doll Now For Coming Dance

Late News Bulletin: Commissioner Walt Trotter announces that Saturday, March 22, an all-J.C. dance will be held in the men's gym. Get your dates early. Avoid the rush! Dancing from 9 to 1 o'clock.

Early to bed, early to rise — and your girl goes out with the other guys.

Commercial Class Faculty Members Aid in Drive

Commercial students, with the help of Miss June Handley, Mrs. Hope Baxter, Mrs. Anne Harper, and Mr. Claud Addison, who is secretary of the Easter Seal Sale Committee, are typing and mailing 7,500 envelopes which will contain Easter Seals.

This is the fourteenth annual Easter Seal sale for children. This Easter, as in the past, crippled children eagerly and hopefully look for the assistance made possible through the purchase of Easter Seals.

Your purchase of Easter Seals will help pay for convalescent care, transportation, nursery centers, special education, camping, homebound employment, training, curative and sheltered workshops, clinics and hospitalization, Mr. Addison says. These are the services provided by local societies for crippled children.

Girls' Badminton Team Victorious

Miss June Handley announces that the S.J.C. girls' badminton team was victorious over a team of eight girls from Carmel High School in a game Monday.

Participating for Salinas Junior College were Barbara Timmins, Ardeth Terrill, Lorraine Morgan, Jeanne Stanbery, Francis Munoz, Betty Head, Phyllis Smith, and Kathleen Bremis.

Students Given Chance to Travel

Junior college students have been invited to attend the two summer centers of Mexico and Guatemala, sponsored by the University of Houston.

Both centers feature courses in English of social, economic, and cultural conditions of the respective countries, integrated with field trips to numerous places and institutions of cultural and historical significance within and outside of the capital cities.

Interested students will leave Houston by train and bus for Mexico City on June 3 and return August 20. The Guatemala group flies from Mexico City to Guatemala City.

The courses offer standard college credit in sociology, history, or Spanish to students of all departments and visions, on both graduate and undergraduate levels.

Approximate cost for the Mexico Center is \$175, which includes all expenses from Houston and return, except tuition and meals in Mexico City. The Guatemala Center costs \$300 for all expenses from Houston to Houston except tuition.

These centers are recognized by the Veterans' Administration.

Please Pick Up Lost Items By Friday, March 21

The following items will be disposed of if they are not picked up before March 21, at the Lost and Found desk in the main office:

Books: Fundamentals of Health (2 copies), Salesmanship for Colleges (2 copies), Longman's English Grammar, The Speech Personality, A Basic Chicken Guide, Beginning German, Retailing Principles and Practice, Chemistry at Work, Textbook of Geology, Principles of Chemistry, Selected Short Stories of Today, Plane Trigonometry (2 copies), Basic Principles of Speech, The Living World, The Handbook of English (2 copies), Mathematical Tables from Handbook, Algebra, Basic Educational Refresher, The Koran, Standard Service Algebra, California Government, The Psychology of Normal People, Experimental Physics for College, An Introduction to Philosophy, Gaining Skill in Arithmetic, Essentials of Algebra, Man's Physical Universe, Improving Speech, Reading German, Analytic Geometry, Handbooks, The Mechanics of the Sentence (5 copies), College Spelling Workbook, Plain English Handbook, Hygiene and Health (7 copies), The Log Duplex (2 copies), Speed Accuracy Builder, Materials for Freshman English, College Typewriting, The Adult Explorer at the Piano.

Miscellaneous Items —

Graph paper, Trio Music, Style Book, glasses and cases, compact, three-cornered ruler, Noxzema, scarfs, hubcaps, binders, notebooks (all sizes), slide rule, coats, sweaters, pocketbooks, key holders, combs, pens, keys, lipsticks, mittens, and gloves.

Book Store Offers Bargains

In keeping with the bookstore's policy of providing nationally-known magazines at substantially reduced prices, copies of the March Reader's Digest are now on sale at only 20 cents. Students who line up daily at the counter have apparently been too close to notice the display, for the magazines have been moving rather slowly.

Recently, another very welcome arrangement with the manufacturers of such brands as Hershey and Nestle's has provided the store's shelves with an ample and varied array of candy. The contracts call for increased quotas in "drop" shipments for the college and needless to say, they are selling like marshmallows at a hotel fire.

Manager G. D. Peavy emphasized that the attempts to get a loan copy of a text which was left at home was strictly "taboo." Some fellows confuse the store with the library, the store manager said.

Salinas J. C. Musicians Take Part In Carmel Symphony Orchestra

Musicians from Salinas Junior College are playing a prominent part in the Carmel Regional Symphony Orchestra. The orchestra boasts an active membership of 70 musicians and is planning to give three concerts this season.

Present plans call for one concert in Carmel, one in Pacific Grove, and the final concert in Salinas. The orchestra is directed by Leon Minear of Carmel with Lorell McCann serving as assistant director and concertmaster.

Rehearsals are held in the Carmel High School each Monday evening from 7:30 until 9:30. There is still an opening for string players. Any musicians who play violin, viola, cello, or bass and who can attend regularly should communicate with Mr. McCann in Room 18.

The following regular students of S.J.C. are members: Wayne Henderson, cello; Gerry Magoon, trumpet; Beatrice Mosley, cello; Ed Attenborough, trumpet; Stephen McCann, French horn; Gene Nielsen, cymbals, etc; Gwayne Frew, violin.

Former junior college students and graduates include: Elinor Smith, cello; John Shepherd, trombone; Don Stewart, trombone; Gilbert Anderson, oboe; Phillip Anderson, bass; Charles Hamm, clarinet; George Peterson, bassoon.

Members from Salinas Union High School include: Frank Johnson, trombone; Jack McAnaney, clarinet; George Peavy, oboe; Dick Cunningham, French horn.

Other members from Salinas include: Herb Miller, trumpet; Nevada Stewart, violin; June Smith, violin; Kathryn Cash, violin.

This orchestra is under the sponsorship of the Carmel Symphony Society with Mrs. Grace Howden as president.

Members from Salinas Union High School include: Frank Johnson, trombone; Jack McAnaney, clarinet; George Peavy, oboe; Dick Cunningham, French horn.

Other members from Salinas include: Herb Miller, trumpet; Nevada Stewart, violin; June Smith, violin; Kathryn Cash, violin.

CAMPUS CLOTHES

By
PATTIE WEATHERBIE

"April Showers" have come in March. That must be why it's raining rain. Meanwhile, Betty Gross is brightening up the atmosphere in a box jacket that is a red-red, a color which is played up especially well by your brown skirt, Betty.

Speaking of the bright things in life . . . have you noticed the handsome HANDKNIT Argye sox being worn by Don Young and Jim Heisinger with their trouser legs rolled up to their knees . . . And who wouldn't, since Don's are a beautiful red and green on white and Jim's are blue and orange. The nicest thing about it is the rumor that there is a doting grandmother (Don's) in the background.

Bemoaning the weather (too much Salinas sunshine again), Della Schmaus looked chipper anyway in a brown cardigan sweater worn over a beige lightweight wool dress with a sharp matching brown bow of grograin ribbon at the neckline. The bow at the neckline, whether big or small, is a trick that is newly appreciated and gaining in popularity as other coeds have liked the idea. With a gray wool suit and a fresh white blouse, Kay Larkin adds a perky RED bow to the collar. Phyllis Smith varies the color and adds a brown bow of grograin to the white collar over a very luscious pink knobby knit slipover sweater.

It has been proved that red-heads can wear variations of red and when it comes to wine, Don Prince does the job up very nicely in a wine and gray, huge checked, wool sport shirt. How about PINK next, Don? Seriously, pink and blue HAS been combined to make a masculine garment, as you will see when Bob Gross wears his wool sport shirt in a plaid of that attractive color combination.

A sack dress is probably the simplest dress that Gloria Brodie has ever sewn for herself and that little gal has sewn quite a few! Gloria's dress is in light blue wool and she wears it with a very wide leather belt with decorative metal eyelets. But apparently the "sack dress" is not only easy, it's also versatile, for when Gloria wears it over a long sleeved white blouse, it becomes an extremely smart JUMPER!

Betrothal Of Miss Person, McAfee Told

Miss Pauline Person, daughter of Mr. and Mrs. Roy L. Person, 460 Bennett, Pacific Grove, recently announced her engagement to Mr. Ray McAfee, private first class, stationed at Fort Ord. The latter's home is in St. Paul, Minnesota.

Pauline is a freshman at Salinas Junior College, majoring in home economics. She is a graduate of Northbrook High School, Northbrook, Illinois.

The couple have made no definite wedding plans as yet.

Cartoonist To Speak at Meeting Of S.J.C. Art Club

Virgil Partch, nationally famous cartoonist and portrayer of American humor, will speak before Alpha Delta Epsilon, the Salinas Junior College Art Club, on April 19, announced club president, Joe Bragdon at a meeting of the club last Friday.

Mr. Partch's speech will be given in the home economics living room. This speech will be one of the highlights of one of the most successful semesters of the art club in college history.

The club also discussed plans for a four-day trip to Big Sur during the first week in May.

It was announced that there will be no award given the outstanding art student at graduation this year.

Junior Soroptimists Had Luncheon in Park

Junior Soroptimist members enjoyed a potluck luncheon last Tuesday at Central Park. Featured on the program was a talk by Mrs. Lorraine Scott, journalist from Watsonville, who spoke on "Women in Journalism."

Members who signed up for the picnic affair were: Betty Grosea, Kathleen Bremis, Frances Munoz, Alyce Brown, Dolores Johnston, Eula Laughton, Evorine Baggett, Florence Lawrence, Della Schmaus, Helen Robinson, Berna Langston, Audrey Summer.

Shirley Paul, Billye Parsons, Pat Silacci, Joan Shonsby, Margaret Hayes, Phyllis Smith, Katherine Larkin, Jeannette Petersen, Marion Pierce, Martha Breslau, Pat Magnuson, Betty Sievert, Connie Cahill, Jean Rulofson, and advisor Miss Faith Fraser.

Polio Victim Undaunted;

Dick Heim Continues Science Study

By ROBERT BALSLEY

Handicapped by infantile paralysis, Richard "Dick" Heim, president of Alpha Gamma Sigma, not only has maintained a high scholastic rating during his junior college career, but has earned for himself the admiration and friendship of his classmates.

An ardent sports fan, because of his handicap Dick is forced to follow most teams by listening to the radio or reading about them. This was not always the case, however, for while attending Gonzales High School, Dick was manager for boys' sports and was presented a letter for his work in this position. This was before "polio" put him in bed for many long months.

Dick hates it that he has been unable to see his local school participate in sports events, but he is happy with the way things are going with the various teams. All you have to do is mention Stanford, and Dick is all ears and mouth.

This is Dick's fifth semester here at Salinas Junior College as a science major. He is to graduate this spring, and then he hopes to take his place in the science world.

Dick is serving his second term as A.G.C. prexy. He has maintained the necessary grade points all through junior college to remain in the society.

Dick thinks the Salinas Junior College is just about "tops." He likes the instructors very much, and thinks they are the best group that he has ever encountered.

"Chess," Dick says, "is my chief hobby." He went ahead to reveal that he and Ed Lanini are constantly exchanging wins. "He can't see 'em," Dick said, "but he can move 'em."

Dick was stricken with poliomyelitis during his last year in high school. He was in his bed for a long time. The cure for infantile paralysis is slow. During his confinement, Dick took a correspondence course with the University of California.

INQUIRING REPORTER . . .

Asks If New Trends In Clothes Are at S.J.C.

Question: Have you noticed any new trends in clothes here at College?

George Easterbrook, agriculture student, Watsonville:

The prevailing habit of wearing dirty saddle shoes! Only a few of the people bother to clean or re-white them. It seems that the dirtier they get, the more stylish they are!

Eloffe Smith, business administration, Salinas:

I can't see this business of wearing shirts out. It doesn't look nice at all, and shouldn't be allowed!

Morris Engles, business administration, Salinas:

Some people apparently can stand the constant itch of a sweater worn as an only garment. I think it's amazing to see a fellow walking along in sweater these warm days without ripping it off suddenly in a fit of scratching.

Elaine Jacoby, general course, Blanco:

I say jeans are about the best change in college clothes I have seen. They are cheap and easy to keep clean and they look as

ON OTHER CAMPUSES

John Muir College — "Blazer," campus paper of John Muir College, sponsored its first "Newspaper Day" assembly last Friday. The assembly featured Ed Ainsworth, Los Angeles Times' roving reporter; Paul Zimmerman, sports editor of the Times; Keith Topping, Stanford All-American end and Muir Tech alumnus; and Bob Reynolds, KMPC announcer, as guest speakers.

San Diego State College has been requested to start a rowing team to join the San Diego Rowing Club. Mr. Del Beekley, coach from the city organization, spoke to potential Aztec rowers recently. He urged them to join the club and stated that Cal, U.C.L.A., and other such schools are anxious to race against San Diego State College if it can develop some good crews. The Aztec oarsmen will have daily workouts at the San Diego Rowing Club.

good as other clothes. Of course, it will take a lot of nerve before girls can wear them to school!

PIANO RECITAL WILL BE GIVEN

Several piano students of Miss Gertrude Lowe will present a short recital at 12:20 o'clock Tuesday, March 18, in Room 16.

Following is the program: Evening Song (by Scott), Ouida Bishop; Solfegetto (by C. P. E. Bach), Mary Galpin; Tumbleweeds (by Bliss) Barbara Timmins; Caravan (by Meade), Betty Head; Mi Chiamano Mimi (from Le Bohème by Puccini), sung by Rosemary Sutherland; El Viejo Castillo Moro (by Chavarri), Jane Barrick; Fantasy No. 3 (by Mozart), Dolores Johnston; Clair de Lune (by Debussy), Dolores Stormont; Rondo Capriccioso (by Mendelssohn), Bertha Black.

Newman Plans St. Patrick's Party

"We urge all Catholics to attend our St. Patrick's Day party," Oscar Burke, Newman Club president, announces. The party will be held in the Little Theater, on Monday, March 17, at 3 p.m.

The group's new advisor, Mrs. John McGinley, who replaces Mr. John Murrin as overseer of Newman Club activities, will be welcomed by the club at the party Monday.

An appropriate St. Patrick's program will be presented, and cake and soft drinks will be served.

The newly-elected Newman officers, Oscar Burke, Bob Bushta, Anne Bettencourt, and Pat Smythe are in charge of the party arrangements.

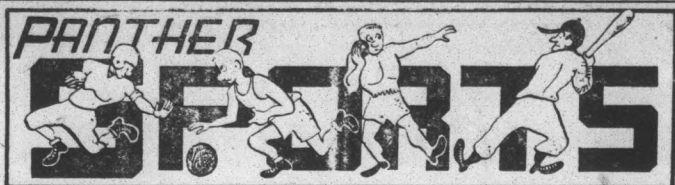

Westminster Club Has Evolution Discussion

Charles Link and Joe Bragdon spoke and led a discussion about evolution at the Westminster Club meeting held last Monday at 3 o'clock. Joe spoke in behalf of disproving evolution both as a scientific law and considering it contrary to the Christian story of the creation. Charles pointed out the agreement between Genesis and the teachings of science.

Colhecon Lunches

Members of the Colhecon Club had a luncheon meeting in the home economics living room on Wednesday at noon, March 12. Main part of the meal was furnished by the club. Mr. John Murrin provided spring blossoms for decoration.

Betty Sievert, Carol McCann, Pauline Person, and Betsy Volk enacted a skit written by Pattie Weatherbie and Charlotte Dawson.

SPORTS COMMENTS

By NORMAN NUCK

Congratulations are once more in order for George Gossler. Competing in the N.C.J.C.C. badminton tournament held at Marin J.C., George added the badminton singles title to his N.C.J.C.C. tennis crown. Mainly through the efforts of Gossler's win, Salinas annexed second place in the badminton meet, finishing behind San Mateo J.C.

Coach G. Darwin Peavy will welcome George back to the tennis team this year and it is a sure bet that Gossler will be a top contender to retain his N.C.J.C.C. title at the Stockton tournament this May.

Easily the standout in the nation's two-year college sports program, are the teams of Compton College. In the recently concluded Compton Invitational Basketball Tournament, the Compton Tartars proved to be poor hosts in that they grabbed the tournament top honors, defeating Phoenix, 63-59, in the finale.

In addition to the casaba title, the Tartars were rated No. 1 among the nation's two-year colleges for the 1946 football campaign. In a postseason grid tilt, the Compton eleven defeated the previously unbeaten Kilgore J.C. of Texas for the title of "Little Rose Bowl Champs of '46."

Sacramento and Grant Tech, representatives of the N.C.J.C.C. in the Compton cage tourney, finished third and fourth in the final standings. The Sacramento quintet, "A" division winners in the N.C.J.C.C. basketball conference, downed Grant, "B" winners, 59-50, to gain third place.

In season play, the Salinas J.C. cagers split with the Sacto squad, dropping the Capital City game and winning on the local court.

Coach Ed Adams is still in the market for prospective trackmen as he prepares his cindermen for the coming track season. The squad is still lacking in depth, a must for any winning track team. The needed talent seems to be on the campus but not on the track team.

Seldom are any complimentary remarks ever said or written about the profession of refereeing, especially basketball officials, but I think the officiating of the Salinas J.C. basketball games in this year's conference play is meriting of some commendation.

After viewing some of the C.C.A.L. high school cage contests, one can really appreciate the caliber of the junior college officials.

Panther Golfers Cop Practice Tilt From Salinas Hi

Winning their first practice match, the Salinas Junior College golf team downed the Salinas high school clubmen, 12 to 5, on the Salinas Golf and Country Club green last Saturday afternoon.

Amassing a total of 12½ points the Panthers doubled the high school tally of 5½. The score was tabulated in the following manner: One point was given for the first nine, one for the back nine, and one for the entire match.

Results of individual matches are as follows: Mike Murphy (HS) defeated Wendell Olsen (JC) 2-1; Bud Rawitzer (JC) defeated Denny Murphy (HS) 2-1; Norman Nuck (JC) defeated Bob Moore (HS) 2½-½; Bob Williams (JC) defeated Glen Albaugh (HS) 2½-½; Cliff McCormick (JC) defeated John Waterman (HS) 2½-½; and Russ Bohlke (JC) defeated Larry Dimmich (HS) 2-1.

Drury Tops Intramural Score Mark

Ken Drury, sharpshooting forward of the Grant's Smooth Five, broke the intramural basketball scoring record last Tuesday, scoring 33 points as Grants mangled Smith's Levelers, 51-11. With this victory, the Grant five moves into second place behind the Monterey Dons in the National League. The Dons clinched first place by thumping Ramponi's Ramblers, 52-20.

In the American League, Work's Lumberjacks seem to have the title well in hand. In other American League tussles, Canepa's Pickers won their first game of the season by beating Juster's squad, 27-20, though the Pickers had to employ "Swede" Jensen to pull the game out of the fire. Mitts' Wolves defeated Stivers' 2-0 in a forfeit game.

The playoff game between the two leagues will be held today at twelve o'clock in the men's gym. The winner of this playoff will play the winners of the first half to be decided by a replay of an

New Cindermen Join Adams' Track Squad

With a few new additions on hand, Coach Ed Adams has announced that the Panther track squad is coming along in good style. Ken Stivers, last year's Salinas J.C. speed king, has turned out for the team, according to latest reports, giving the Panthers an outstanding dash duo of Stivers and Arnold Hiserman.

Workouts in preparation for the first meet of the season, one week from Saturday, against San Francisco, are in progress every day on the college's cinderpath. Coach Adams has his hopefuls working on all important starts with time trials scheduled to start in the near future.

Lawrence Frudden and Leroy Riorden, two new middle distance men, have been showing up well in recent practices. Frudden was timed at .52 while running for King City High last year. Riorden should come along well in the 880-yard run.

The Cavanaugh boys, James and John, have been working out regularly in the shot and discus while Earl and Dean Dillingham are all set for action in the javelin.

Ernie Currier and Ross Smith will give the track team a pair of pointgetters in the 440 and 880, respectively. Currier was the school's best 440 man last season, and from all indications he will hold top positions again this year. Smith, the conscientious distance man, is setting a terrific pace as far as time put into workouts is concerned.

All told, the cinder squad is coming along in fine fashion, but there are a few weaknesses. The team lacks the depth to warrant its choice as a dual meet favorite, but Coach Adams' men should show up well in the invitational events.

Gossler Cops J.C. Badminton Title In Marin Tourney

George Gossler, Salinas J.C. king of the courts, led the S.J.C. badminton team to a second place spot in the N.C.J.C.C. Badminton Tourney held last Saturday at Marin. San Mateo won the tourney with eight points while Salinas followed up with five. Sacramento and San Francisco had four, Marin took two, and Modesto one.

Gossler took four matches to give him the singles championship. Don Prince picked off the earlier 20-20 tie game between Grant's and Work's.

With the intramural season drawing to a close, crowds at the games have been improving in number and enthusiasm, a fine tribute to the work of Coach G. Darwin Peavy.

Salinas Sweeps Diamond Series From Cal Poly

Making it a clean sweep of their three-game series with the Cal Poly Mustangs, the Salinas baseball nine took both ends of a doubleheader, 15-3 and 2-1, last Saturday on the junior college diamond.

Pounding three Mustang hurlers unmercifully, the Panthers made it two straight by dumping the visitors, 15-3. Jim Prien pitched brilliantly as he limited the Poly batsmen to three bingles. Prien fanned five and walked three.

With a one-run deficit staring them in the face, the locals went to work with a vengeance. Don Napoli belted a homer to tie it up, and then the "merry-go-round" started. Before the smoke cleared, the "Maroon and Gold" spiked the plate five times to give Prien a substantial lead.

Salinas continued to smack the horsehide to all corners of the lot, and as the game progressed, it began to have the earmarks of a rout. Christiansen, Clow, and Crawford, the Mustang pitchers, all made unsuccessful attempts to halt the slaughter.

Prien faltered slightly in the last frame when the visitors put together two hits, and took advantage of a Salinas error to score twice. All of the runs made off Prien, incidentally, were of the unearned variety.

In the series finale, the Panthers scored two runs on no hits in the second inning and that was enough for Stan Miller, the Maroon and Gold moundsman, to win the contest, 2-1.

Miller pitched a steady game as he allowed but five hits, and issued only one base on balls. Both teams were good in the field but weak at the platter.

Coach Campolo has some fine material as evidenced by the fact they have won all three of their early starts. Well equipped in the outfield and behind the plate, the Panthers' only problem is at shortstop and in the pitching box.

Garnero and Don Napoli have been handling the chores at short, but both are better at their old positions, second and the outfield. All three Panthers moundsmen are reliable and steady but the addition of a couple of relief hurlers would add considerably to the locals' cause.

Garnero and Napoli collected a pair of base knocks to lead the locals at th plate. "Pinky" Berners, flashy Mustang shortstop, collected two hits to lead the visiting batters.

Bellhop (after 10 minutes): Did you ring, sir?

Man: "No, I was tolling. I thought you were dead."

WAA Play Day To Be Held April 19

At the W.A.A. meeting last Monday, April 19 was selected for the Salinas women's Play Day. S. J.C. will entertain sports-women from San Jose State College, Hollister Junior College, and San Luis Obispo Junior College.

Volleyball and softball will be played in the morning and afternoon. Luncheon and entertainment will be provided in the men's gym.
